Platinum Immigration Consultancy Services:

Upright Canadian Immigration Service Provider

Platinum Immigration Consultancy Services was established in 2010 in Canada with an aim to provide quality Canadian Immigration consultancy services to migrants from all corners of the world.

Their team of Certified Immigration Consultants assists clients in all areas of Canadian Immigration inclusive of Permanent and Temporary status, sponsorships, entrepreneurs and Investors. They have solutions for applicants seeking Immigration to Canada as well as for personnel resource managers of Canadian employers intending to hire foreign nationals. Their consultants provide services expertly, promptly and in a cost-effective manner in all areas of Canadian Immigration.

"To remain on top of ever-changing environment in immigration field in Canada, the staffs regularly attend seminars and information sessions, interact with Immigration Refugees

and Citizenship Canada (IRCC) and then deliver well-researched sessions through their Toronto office," says Col. Pritpal Singh Ranhotra, (Veteran), Founding-Director and Chief-Consultant, Platinum Immigration Consultancy Services who is Canadian Certified Immigration Consultant.

Platinum Immigration Consultancy Services, along with its placement division is effectively helping clients to find their rightful place in the Canadian Labor market. It plays a crucial role in the settlement and success of all their clients. "We help clients to realize their potential and aspirations by preparing a road map for their success. In addition, we have incorporated personality development services aiming to ensure

that our clients understand work culture to fit into the Canadian workplace. in our list," Col. Ranhotra. They also provide training on creating impactful resumes and cover letters, conduct interview training sessions.

An Entrepreneur's Destination

There is a huge demand for entrepreneurs in Canada. Canada is a business-friendly country. It welcomes entrepreneurs and investors from all over the world. Platinum Immigration specializes in this field. "Having extensive experience in recruitment and career counseling in Canada combined with my knowledge of the industry as a "Project Management Professional" (PMP), I am well placed to provide effective solutions for entrepreneurs, who want to invest in Canada and prosper". Says Col Pritpal Ranhotra.

Platinum Immigration, helps clients whose visa applications have been refused, to reapply and get approved. They also handle appeals against refused cases besides providing full counseling and guidance to qualified individuals for Canadian citizenship. **CR**
